FROM THE PRESIDENT

A Year of Momentum

Dear Friends and Supporters,

In 2026, the Kappa Scholarship Endowment Fund marked its 42nd year of service to the young people of Washington, DC. Since our founding in 1984 by the Washington, DC Alumni Chapter of Kappa Alpha Psi Fraternity, Inc.®, KSEF has awarded more than $4.2 million in scholarships to over 900 graduates of DC public and public charter high schools. Today our endowment exceeds $6.5 million, and we are working toward a $10 million goal that will allow us to support even more students with larger awards.

This year we welcomed 39 new scholars from 20 high schools across the District. They are headed to 27 colleges and universities in 12 states and the District of Columbia — nearly half to Historically Black Colleges and Universities — and nearly three in four will pursue degrees in science, technology, engineering, math and the health professions.

None of this is possible without you. Our Named Endowed Scholarship Program now includes 153 named scholarships, each a permanent tribute that will support students for generations. We are especially grateful to the families and friends who established new named scholarships in 2025 and 2026, and to every donor who invested in our students this year.

KSEF remains governed by a dedicated volunteer Board of Directors who believe, as I do, that a first-rate scholarship program for DC's public school graduates is one of the best investments our community can make.

Thank you for helping our students take the first step toward collegiate achievement.

Michael A. Holliday, M.D.
President, Kappa Scholarship Endowment Fund, Inc.®

OUR MISSION

The Kappa Scholarship Endowment Fund, Inc.® is committed to acquiring and utilizing resources to provide scholarships to promising DC students, assisting youth in achieving the skills and knowledge required to compete in a rapidly changing world, and enhancing the quality of life in our community through the development of future leaders.

A LIVING LEGACY

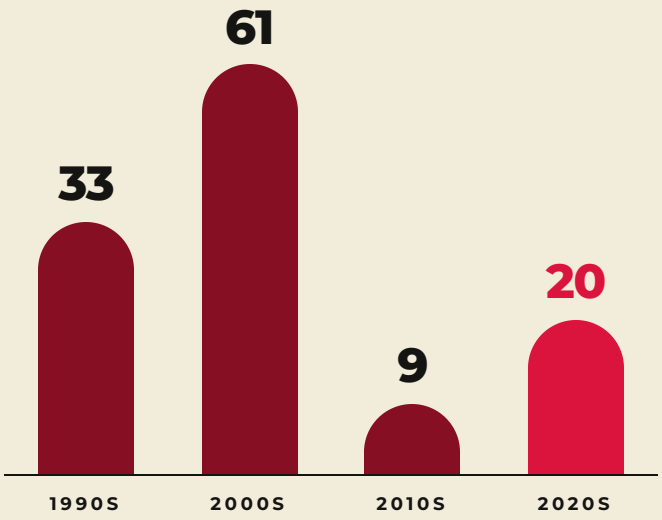

Named Endowed Scholarships

Through the Named Endowed Scholarship Program (NESP), individuals, families, companies and chapters create a permanent scholarship in their own name or in honor of someone they love. Each named fund is invested in the KSEF endowment, so every gift keeps working — year after year — for DC students.

NESP donors and their scholarship names are permanently recognized on a plaque at the Washington (DC) Alumni Chapter House.
